

Willespie

VERDELHO

A wine of flavour and elegance. It is full-bodied and well balanced with complex tropical fruit characters and a long dry finish. A truly varietal wine that drinks well on it's own and also matches a wide range of food styles.

The renowned Willespie verdelho is a dry style which can be enjoyed as a young wine or as a rich toasty treat after a few years in the cellar.

VERDELHO 2002

Verdelho is Willespie's most recognised white wine. This young fresh wine like all the Willespie Verdelhos since 1982, is dry in style.

Intense fruit and a touch of spiciness create a mouthful of flavour which lingers through to a crisp finish.

A rich well balanced wine.

SERVING SUGGESTION

Chill and serve with crayfish!.
